v.

Docket NO 1,02-CR-029

Murray Floyd Bruce

MOTION FOR SPEEDY RESENTENCING

This Matter was previously set for resentencing on November 30, 2006. And has been rescheduled for a future date.

That I respectfully request the Honorable Court to consider to grant an early court date. Giving that I am presently available and detained by the US. Marshal's at the Grant County detention center at Williamson Kentucky.

That it is my plea to the Honorable Court to conclude these matters at the court's Earliest Convenience. As this will enable me to be available in the on-going Removal process by the Immigration and custom Enforcement agency. In addition to support an early court date, I ask that the court take in to consideration that I have completed the initial sentence imposed. And was released from that sentence since October 15, 2004.

I affirm under penalty of perjury that the  
Foregoing is true and correct.

Dated, December 18<sup>th</sup>, 2006.

Respectfully submitted
